## Description

New Sea Jay 428, 448, 468 Avenger boat range from Aussie Marine in Australia.

The Avenger range offers versatility for all, featuring the Adrenalin Hull on models 4.28 and above. With 3mm bottoms and sides on models 4.48 and higher (and 2.5mm sides on the 4.28), these boats are built for durability. The Adrenalin Hull, characterized by a deeper V and wide beam, along with a reverse chine (except for the 4.28), ensures an excellent ride, enhanced stability, precise control, and optimal fuel efficiency.

Each model includes front and rear cast platforms with hatches, electric motor plates mounted off the front gunwale, a bow sprit, and roller on the front deck. Inside, a sounder mount and switch panel plate cater to electronic needs. Additionally, ample rod holders, including 6 plastic holders on the wide side decks, are provided. Seating comprises two full upholstered folding seats with five socket positions for customization.

For added convenience, fuel tanks are fitted to models 4.48 and above, and all models are available in painted or non-painted options. Experience the ultimate combination of performance, comfort, and functionality with the Avenger range.
